1. Commerce has published in the Federal Register (82 FR 25240) on 06/01/2017 the final results of its administrative review of certain producers and/or exporters subject to the antidumping duty order on prestressed concrete steel wire strand from Thailand for the period 01/01/2015, through 12/31/2015.

2. As a result of Commerce's review, the cash deposit rate has been revised for the company listed below. Therefore, for shipments of prestressed concrete steel wire strand from Thailand produced and/or exported by the firm listed below, entered, or withdrawn from warehouse, for consumption on or after 06/01/2017, the required cash deposit has been revised:

Producer and/or Exporter: The Siam Industrial Wire Co., Ltd.

Case number: A-549-820-001

Cash deposit rate: 0.00%

3. If any entries of merchandise are exported by a firm other than the producer, then the following instructions apply:

A. If the exporter of the subject merchandise has its own rate, use the exporter's rate to determine the cash deposit rate.

B. If the exporter of the subject merchandise does not have its own rate but the producer has its own rate, the cash deposit rate will be the producer's rate.

C. Where neither the exporter nor the producer currently has its own rate or the producer is unknown, use the all-others rate for establishing the cash deposit rate.

4. For all producers/exporters of prestressed concrete steel wire strand from Thailand without their own rate, the cash deposit rate is 12.91 percent.

5. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise covered by the administrative review until specific liquidation instructions are issued.
